I tried to get it from all sides. I'm already working on the front and back, but your information will help me a lot! On 10/5/2019, @navigon sent me a video of this car: (Property not public) with these conditions: The seller has provided clear instructions on how to download the car. So here you go, if you have another copy you need to send it to @navigon and he will send it back to you. Car condition: - Good battery state. - Like new. - Clean. NaviTrack map: Link to download NaviTrack map in txt file, size 27.5 MB. Track center Here you can see some pictures of the car. Detail: Here's some pictures of the interior. Also: All of the pictures in this listing are just one off. I do have another copy of this car in the same condition, but I will send it to @navigon if you want another one. I will also do your job for $50 if you want it from the the 2nd copy, and you have to send it to @navigon. Thanks for the PM!
