MoveOn organizations nationwide. Now, let's take it to the next level. Rather than seeking out a MoveOn office, as it is usually pretty easy to find, go to the MoveOn website and look for the nearest office. Find it online. Now, go to MoveOn's website, register for a free account, and create a personalized message to your local MoveOn office. A step-by-step guide is below. Use this guide, but imagine that it's the owner of the apartment, asking you politely to move. Print this page and give it to the building's manager. Tell the manager that you want to contact your MoveOn representative. You might be asked to do more than just call. Make sure that you fill out the entire web form and print it out. This is your chance to set up a time to speak with your MoveOn representative. Be sure to note the representative's name, or you'll never be able to find him/her. Now, send a copy of your completed form and web form to your local MoveOn office. 82157476af
